**Agriculture and Agriculture related fields are the  
mainstay of State's Economy: Agriculture Minister**

Agriculture and agriculture-related sectors are the mainstay of the state's economy. Farmers are food givers. 43 percent of the state's total GDP comes from agriculture and agriculture-related sectors. Therefore, the state government has taken various steps for the development of agriculture and the welfare of farmers. Minister of Agriculture and Farmers Welfare Ratan Lal Nath said this at the job offer distribution programme of the Agriculture and Farmers Welfare Department in auditorium No. 1 of Rabindra Bhavan on October 18, 2023.
